Statement of Philosophy for Peace Lutheran Church Preschool

We consider children our most precious gifts. The teachers strive to provide a warm, loving, Christian learning environment. We want to help your child develop socially, emotionally, physically, and academically.

Children are individuals, and each child absorbs concepts uniquely and at different rates. The teachers spend one-on-one time with each child on a daily basis while also offering opportunities for group participation.

Peace Preschool incorporates many enrichment activities including music, Spanish, science, and art. Learning through multi-sensory activities makes school fun! Every day is special at Peace Preschool!
